This turn, when you receive energies, take only one energy from the bag instead of energies from the Lotus board. Then place it as usual: in the Bagghya Bubble or directly on a Chakra with an Inspiration token.

This turn, when you channel energies, you can reuse an action already occupied by an Inspiration token by superimposing a second inspiration token.

MODULE D : OBJECTIVES

Be the first or second to harmonise the 3 Chakras on the card (violet, light blue and green).

MODULE D : OBJECTIVES & MODULE A : YIN-YANG
